Entirely new chalet and sold with all the advantages of a VEFA property, namely: - VAT recovery - Notary fees reduced to 2.5% The chalet, with an area of approximately 320sqm, is available immediately and will become the place ideal for holidays with family or friends. Benefit from the proximity to the start of the slopes but also to the village center (250m). The south-west exposure is ideal, you will enjoy it from the 100m² of terraces. The chalet is equipped with all the necessary comfort: ski locker, gym, sauna... It includes 5 ensuite bedrooms, a dormitory with separate bathroom. The masterpiece of this chalet is undoubtedly the living room / living room / kitchen with a surface area of approximately 80sqm, located on the top floor.
