Diagnostic énergétique

Rating in progress or not applicable.

Alpine chalet to be renovated at 1985m in the Les Menuires ski resort, the gateway to the 3 Valleys. Accessible by foot, mountain bike or 4x4 from Les Menuires in summer. In winter, it can be reached on snowshoes, cross-country skis or skis from the Violette ski run or the Gros Tougne boulevard. This traditional alpine chalet is in need of a complete renovation in keeping with Savoyard architecture. Contact with local craftsmen specialised in this type of renovation. A magical, secluded spot with a 180 degree panoramic view, from Cime Caron - Val-Thorens to Mont Blanc.
